VINTON BOOK

VOL. IV

1885 - 1910

V I N T O N B O O K C O P Y

VOLUME IV

This volume is a typewritten copy of Missionaries of the A.B.C.F.M. Memorandum, 1885 - 1910, which is the second of two volumes of handwritten biographical memoranda about the missionaries of the American Board. The first volume was copied after 1910; this volume is being copied in 1967.

These volumes are also known as the Vinton Book after the Reverend John A. Vinton, who wrote the major part of the first handwritten volume, the format of which was used in this second volume. His work was carried on, after his death, by Dr. Alfred O. Treat, Miss A. Chapin, and others until a card filing system was adopted.
